sledding snacks

Store-bought frosting acts as the “glue” to assemble these easy downhill delights created by the Taste of Home Test Kitchen.

PREP/TOTAL TIME: 30 MIN. YIELD: 1 DOZEN

3 whole graham crackers

1/2 cup vanilla frosting

24 miniature candy canes

Assorted candy decorations

12 pieces red shoestring licorice (12 inches each)

Break or cut each graham cracker along perforations into four pieces. Spread a small amount of frosting over both sides of crackers. Immediately press two candy canes into frosting on one side; press assorted decorations into the other side. Let stand until set. Tie ends of licorice together and loop around candy canes. Yield: 1 dozen.
